

## **Cardinal Gas Storage Partners LLC Announces a Non-Binding Open Season for Perryville Gas Storage<sup>SM</sup> LLC**

**Houston, Texas June 23, 2008** - Cardinal Gas Storage Partners LLC ("Cardinal") announced today that Perryville Gas Storage LLC, a wholly-owned subsidiary of Cardinal, is holding a non-binding open season for 15.0 Bcf of capacity at a planned storage facility to be located approximately 12 miles south of Delhi, LA. Commercial storage services for the first of two 7.5 Bcf working gas storage caverns are expected to commence in 2012. The facility is expected to provide 1,200 MMcf/d of peak deliverability and 600 MMcf/d of peak injection capability from the two salt caverns. The facility will have the ability to interconnect to the CenterPoint Energy's Perryville Hub<sup>SM</sup> and several pipelines near the facility site as well as a number of additional pipelines a Delhi. Some of those pipelines include CenterPoint Line CP, the Southeast Supply Header (SESH), Columbia Gulf, Tennessee Gas Pipeline Line 100, ANR, Trunkline, Texas Gas, GulfSouth, Gulf Crossing and the Mid-Continent Express.

The Open Season begins today at 8:00 am and will end at 5:00 pm on July 18<sup>th</sup>. A completed Perryville Gas Storage Expression of Interest Form should be faxed to Jeff Ballew at (903) 983-6237 by 5:00 pm on Friday, July 18<sup>th</sup>. The Expression of Interest Form, maps and other information can be found on the Cardinal website at [www.cardinalgs.com](http://www.cardinalgs.com) or by contacting Jeff Ballew ([jeff.ballew@cardinalgs.com](mailto:jeff.ballew@cardinalgs.com)) at (903) 983-6229 or David Hayden ([david.hayden@cardinalgs.com](mailto:david.hayden@cardinalgs.com)) at (713) 350-6884.

Cardinal is a recently formed joint venture between Martin Resource Management Corporation ("MRMC") and Energy Capital Partners, L.P. ("ECP") which is focused on the development, construction, operation and management of natural gas storage facilities throughout North America. Cardinal also owns Arcadia Gas Storage, LLC in north Louisiana and is in the process of developing additional natural gas storage facilities in North America.
