

Cardinal Gas Storage Partners Announces Completion of Two New Natural Gas Storage Facilities Serving the Perryville/Delhi Hub

HOUSTON, May 17, 2013 -- Cardinal Gas Storage Partners LLC announced today that two of its wholly-owned interstate natural gas storage subsidiaries, Cadeville Gas Storage LLC (Cadeville) and Perryville Gas Storage LLC (Perryville) have commenced service as of May 1, 2013. Cadeville, a depleted reservoir storage facility, provides approximately 17.0 billion cubic feet ("BCF") of working gas capacity. Additionally, Perryville is expected to initially provide approximately 8.5 BCF of working gas capacity from its first salt dome cavern.

"We are pleased to announce the completion of Cadeville and Perryville, having placed both facilities in service on schedule, under budget and fully contracted," said Jeff Ballew, President and CEO of Cardinal. "This is unprecedented in today's environment for storage development and is a testament to the hard work and dedication of Cardinal employees. We are excited to be placing both of these facilities in service at these highly liquid strategic locations on behalf of our customer base."
